a virtual marriage encounter

The Marriage Encounter experience is a heart haven that helps you listen, share and connect more deeply. There's no group discussion. Its just about the two of you learning to be the best, most loving and thriving couple you can be.

Virtual Weekend
Experiences follow the same schedule of a three or two-day weekend experience but are attended from home, using video conference software.

Participants receive materials by regular mail and are offered a training session to familiarize with the software prior to the experience
